

Dear Sir,

04/13/2006

Please note that the "Art Unit" number of my application (# 10/669,410) may have been entered incorrectly in the last office action letter. The Art Unit number was entered as "2617" on response mailed on 04/07/2006. While the correct Art Unit number should be "2687" as shown on all previous USPTO Office communications.

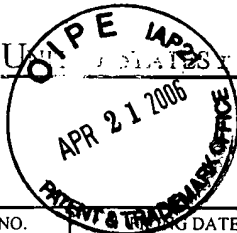

I have enclosed copies of previous communication, mailed on 12/09/2005, with correct Art Unit number for my patent application vs. the entry error for Art Unit number shown on Office communication mailed on 04/07/2006 . Please correct my patent application record accordingly. Thank you very much.

Yours truly,

Kun Ho Lie
